November 2019 Snow News & Minutes

Presidents Corner

Our next meeting will be held at Article 15 Bar & Grill 10840 Wescott Lake Rd on November 2nd at 9:00 am in the morning.

I really want to say a huge thanks to all the members who have been working so very hard every weekend cutting and removing so many trees and clearing trails. You may have seen some of the pictures on our Face Book Page. It truly has been a very tough year getting the trails ready. But much progress has been done but there is still more to do. Please come to the next meeting and hear a report on our progress year to date and the work that still has to be done.

That is just part of the work. Then the next step is marking the trails. This year again has challenges for our club because so many signs have been damaged on parts of our trail system with the bad storms, we have experienced on our trail system this year.

Please be part of the team and join us on November 2nd at Article 15 Bar & Grill

Roy Lawrenz President

Special Thank You

I would like to say a special thank you to those members that gave an extra donation when renewing their club membership to support our club. One member said last year I put 300 miles on my sled at \$.10 a mile that is \$30.00 so he sent us a check for \$60.00. Our club is located in a unique area compared to other clubs in the area because we do not have a community to help financially support us if we run a fundraising event. We appreciated any extra support you give our club.

Membership Report

Last year we ended the year 117 members and 9 of them were new ones. Year to date are membership is at 86 with 4 new members. Please help your membership chairman and get your membership in early. The AWSC now charges our club and extra charge every time we enter members for renewal on their website. For that reason, we are trying to put them into batches to save cost. So that means even though we have received your membership on Monday it may not be entered until the following

Monday, so if you are looking to log into getting your annual snowmobile pass there may be a slight delay. If you have misplaced your AWSC membership card you can find your AWSC membership number on the AWSC Snowmobile magazine in the mailing address.
