September 2021 Snow News & Minutes

Presidents Corner

It is troubled times we live in, and we all must adapt. Due to the Delta Virus your club officers felt it was in the best interest of the membership and landowners to cancel the Landowner Appreciation Dinner that was scheduled for September 11th and now hold the event in April next year. You will be seeing the invitation for this event in the March newsletter.

One of the good news is so far, we have not had any major storms in our area like we did a couple of years ago. But due to all the rain we have had this spring and summer the trees and brush has really grown. So, we still have a lot of work this fall getting trails ready for snowmobiling. I encourage members to participate in the September meeting so we can make our plans and review the projects and trails that will need attention.

New Club Membership Chairman

I am pleased to announce that Adam Krause will become the Membership Chairman. He will manage our membership list and take care of your renewals for the AWSC, so you can get your trail Passes. The renewal envelopes enclosed have his address on them. If you have any questions regarding your membership to the AWSC, you can contact him at 920-841-9010 or e-mail him at adamokrause@gmail.com.

Enclosed is your renewal membership envelope. Please fill out all the information requested. Your renewal to the AWSC will be put into there system ounce a week in batches. That saves the club some money. Your e-mail is also important because now we have the option of having, you're AWSC membership card e-mail to you directly.

Fourth Order of Business: Old Business

1. Walker's Kraken Shack Trail – no update on this item. Will bring back to September's meeting
2. DR Brush Cutter (cost through Qualheims) – The cost (item, shipping, labor set-up) of the brush cutter and pros/cons of this purchase were discussed. Lots of work was just completed on the brush cutter the club currently owns and it is felt that this would last a few more years. A decision was made to keep the existing brush cutter and hold off on the purchase of a new - both pull behind and walk behind brush cutters will not be purchased at this time.
3. New trailer for brush cutter - A discussion was had regarding the purchase of a new trailer. A motion to purchase a new trailer (cost not to exceed \$8000) was made by Adam Krause and second by Chuck Panure. Motion approved.

Fifth Order of Business: New Business

1. Voting consideration – a club member of approximately 20 years, who cannot attend the meetings in person, called to ask that the club consider accepting election votes by people who cannot attend the meeting in person. It was determined that we would need to amend the by-laws to accommodate this request. The by-laws committee will review this matter at the next meeting.
2. Walker's Kraken Shack Trail – as noted in old business
3. Trail to Coleman swamp excavating – there was a discussion on moving this trail toward the hill. It was decided that the trail could be modified and there is no need to do excavating. There will be more discussion on this item in the fall
4. AWSC Report – no discussion
5. Trail reports – all trail signs are down and put away for the season. All paperwork needs to be turned in as soon as possible. There is no funding for the trails that go across the lakes – these trails are non-funded and not considered part of the trail.
6. Landowner Appreciation Dinner – the dinner is planned for September. A letter will go out to the landowners. Two \$10.00 gift certificates were sent to each landowner, which are good at local businesses.
